

Dryzone¹⁰⁰ Mould Remover

Product Information

Dryzone¹⁰⁰ Mould Remover is a biocidal cleaner designed to remove mould from bathroom and kitchen surfaces with long-lasting effect. It can also be used on painted surfaces such as walls. Applying the cleaner prior to washing the surface will ease the removal of dirt from the surface.

Benefits

- Kills Mould
- Fast and non-abrasive cleaning
- Long-lasting
- Biodegradable formulation

Properties

Appearance	Clear liquid
Recipe Type	Low-viscosity; water based
Density	1.0 g/cm ³
Size(s) & Packaging	500 ml spray bottles
Coverage	1 litre will cover approximately 5 m ² ^[1]
Storage	Store above 5 °C in dry conditions in original container
Shelf Life	12 months
Active Ingredient(s)	Alkyl (C12 – 16) dimethylbenzyl ammonium chloride (0.98 % w/w), surfactants
Effective Against	Mould
HSE Number	10511
Re-entry Time	When surfaces are dry

Application Information

Prior to application, surfaces should be brushed to remove any loose material.

Dryzone¹⁰⁰ Mould Remover can be applied by brush, roller or spray. Apply 1 litre of product per 5 m² of surface ^[1].

Care should be taken to ensure that **Dryzone¹⁰⁰ Mould Remover** does not splash onto plants.

Leave **Dryzone¹⁰⁰ Mould Remover** for 1 hour prior to washing off. A clean finish can be achieved by using a damp sponge or cloth.

Other Information

This material and its container must be disposed of in a safe way. Do not empty into drains. Do not contaminate ground, waterbodies or watercourses with chemicals or used container. Once the container is empty, rinse out onto the treated surface prior to disposal. The empty container is suitable for recycling.

Store in a safe place. Keep away from food, drink and animal feedstuffs. Keep out of reach of children and animals.

Unprotected persons and animals should be kept away from treated surfaces until dry. For full health and safety information consult Safety datasheet (available on request). Always read the label.

Dryzone¹⁰⁰ Mould Remover is produced in accordance with ISO 9001 and ISO 14001 quality and environmental management systems. This product is approved under the Control of Pesticides Regulations (1986) for use as directed. HSE 10511. Use pesticides safely.
