## MAKING BUILDINGS DRY

# Roxil100 Mould Remover

## Product Information

**Roxil100 Mould Remover** is a biocidal cleaner designed to remove mould from bathroom and kitchen surfaces with long-lasting effect. It can also be used on painted surfaces such as walls. Applying the cleaner prior to washing the surface will ease the removal of dirt from the surface.

## Benefits

- Kills mould

- Fast & non-abrasive cleaning

- Long-lasting

- Biodegradable formulation

- Non-flammable (low VOC)

## Properties

| | |
|---|---|
| Appearance | Clear liquid |
| Recipe Type | Low-viscosity; water based |
| Density | 1.0 g/cm$^3$ |
| Size(s) & Packaging | 5 litre and 1 litre jerry cans, 500 ml spray bottles |
| Coverage | 1 litre will cover approximately 5 m$^2$ [1] |
| Storage | Store above 5°C in dry conditions in original container |
| Shelf Life | 12 months |
| Active Ingredient(s) | Alkyl (C12-16) dimethylbenzyl ammonium chloride (0.98% w/w), surfactants |
| Effective Against | Mould |
| HSE Number | 10386 |

## Application Information

Prior to application, surfaces should be brushed to remove any loose material.

**Roxil100 Mould Remover** can be applied by brush, roller or spray. Apply 1 litre of product per 5 m$^2$ of surface [1].

Care should be taken to ensure that **Roxil100 Mould Remover** does not splash onto plants.

Leave **Roxil100 Mould Remover** for 1 hour or for best results leave for 24 hours prior to washing off.

A clean finish can be achieved by using a stiff brush or sponge in combination with running water.

## Other Information

This material and its container must be disposed of in a safe way. Do not empty into drains. Do not contaminate ground, waterbodies or watercourses with chemicals or used container. Once the container is empty, rinse out onto the treated surface prior to disposal. The empty container is suitable for recycling.

Store in a safe place. Keep away from food, drink and animal feedstuffs. Keep out of reach of children and animals.

Unprotected persons and animals should be kept away from treated surfaces until dry. For full health and safety information consult Safety datasheet (available on request). Always read the label.

---

[1] The coverage will vary depending upon the overall porosity of the substrate to be treated.

**Roxil[100] Mould Remover** is produced in accordance with ISO 9001 and ISO 14001 quality and environmental management systems.
