Depth	333 mm	

*Information given is in good faith based on experience and usage, however all recommendations are made without warranty or guarantee, since the conditions of use are beyond our control. All goods are sold in accordance with our Conditions of Sale, copies of which are available on request. Customers are advised that products, techniques and codes of practice are under constant review and changes occur without notice; please ensure you have the latest updated information.*

## Maintenance

All systems are manufactured to the highest standard and we have every confidence the product will serve you well.

Pumps are mechanical items, and as such, require regular servicing if they are to continue to perform to their optimum capabilities and fulfil their expected life span.

For further details, on service agreements please contact our technical department on 01403 210204.

## Guarantee

The **Sentry Sump Systems** come with a 12-month component guarantee.

Terms and conditions apply.
